Report on Induction Program

Title of the Event: Induction Program for first year and direct second year student

Date: 16/09/2025

Venue: Auditorium, YTIET

Organized by: Institute Innovation Cell and Student Council

Objective

The Induction Program aimed to welcome newly admitted students and help them integrate smoothly into the academic and social environment of the institution. The program provided an overview of institutional policies, academic structure, support facilities, and opportunities available for holistic development.

Event Flow

The induction program served as a vital platform for familiarizing new students with the campus culture, faculty members, and available facilities. It was designed to create a sense of belonging and motivate students to embark on their academic journey with confidence.

Approximately 200 attendees participated in the event, including new students, faculty members, and administrative staff. The sessions included:

- Welcome Address: Delivered by the Principal, CEO and Chairman of TGI Group.
- Introduction to Academic Programs: Briefing by respective Vice Principal.
- Faculty Interaction: Faculty members introduced departmental activities and expectations.
- Presentations & Speeches: Highlighting academic policies, code of conduct, and student support services.
- Interactive Session: Students engaged with faculty and senior students through Q&A and discussions.

Outcomes

- Students gained awareness about institutional values, academic procedures, and available resources.
- Enhanced interaction between students and faculty members fostered a supportive learning atmosphere.
- The program successfully established a foundation for effective communication and mentorship.
